**Attachment A:**

E-mail correspondence dated September 7, 2010, from Sarah Vellozi of Fleishman-Hillard Inc. to Enyi Odigbo, Chairman of Caser's Group (Consultant to Office of the President). This was the basis of services, but subsequent negotiations resulted in a more limited scope of work.

**1. Agreement** - The client has approved the service proposal as presented, with a negotiated 10% discount on fee (summarized below). We accept this offer.

- FEE = 58k at 10% discount = \$52,200
- Out-of-Pocket expenses = 7,000
- TOTAL = \$59,200

**2. Payment Terms** - The client has agreed to pay Casers Group 75% upfront. To eliminate complications, you have requested FH to invoice Casers Group immediately you for the full budget (\$59,200). We are working on our side to develop the invoice and set up the accounting codes on our side, and will work to get the paperwork to you before the holiday on Thurs/Fri.

**3. Media Training** - The client has asked whether FH would consider hiring a media trainer that previously worked with President Jonathan. We've discussed this internally, and in order to ensure that the President is trained for the NY media environment, FH would be more comfortable using our senior media trainer. Please let us know how to best address.

**4. Media Outreach** - We have approval to commence our media outreach starting tomorrow, 08 Sept 2010, with the explicit instruction that we will **not** discuss/comment on Pres. Jonathan's candidacy for election. The date for announcement of candidacy is likely to move from 14 Sept to 18 Sept. We will pitch for interview opportunities from 20-22 September 2010. In order to fully agree to our media plan, you will connect us with the President's press officer. Issues to be resolved:

- a. Date of announcement of candidacy
- b. Coordination to draft and release official press releases
- c. Exact timing and preferred location for media training on Sunday 19 Sept 2010
- d. Exact windows of availability for media interviews on 20-22 Sept 2010
- e. Security protocols and location preferences
